Now you can tell your own thoughts! Whatever you want to tell us about your sauna experience?

It was really fun experience and get to know better the italians was nice

just had fun that evening

It was very fun to hang with people!!

i had a lot of fun! this activity really brought us students and hosts more together by sharing sauna and lake baths.

Really fun but also tiring.

It was fun

It was fun to see the italians go to the sauna and the lake because they had never been there and I think they liked it a lot

Wery fun and so good company
