

Peer to peer

Oona & Noora

Generally

- Lot of experince
 - Common in Finland
- Lot of different ways
 - Small groups
 - Presentations
- Depend on the group and the subject

Different subjects

- Languages
 - Finnish and literature
 - English
 - Swedish
- Biology
- Chemistry
- Physics
- History
- Social studies
- Health education
- Religion
- Geography
- Philosophy
- Psychology
- Art-subjects
 - Music
 - PE
 - Drawing and sculpture

PROS

- + We don't always have to listen to teachers
- + It's more creative
- + Talking and chatting with friends
- + You have to participate and concentrate and listen to professionals

CONS

- You usually learn only your theme (if you learn anything)
- It takes a lot of time
- Someone might not take that seriously
- Bad presentations and/or teaching

How to improve

- Better preparations
- More time
- Not too hard subjects/themes
- Participation from EVERYONE
- Test about just learned things (not too serious)
