

Dice Digits

Directions: Roll the dice two times in order to fill in all four boxes. Then use your multiplication strategies to solve.
Have fun and roll on!

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$

$$\begin{array}{r} \square \square \\ \times \square \square \\ \hline \end{array}$$
