Subject: Greetings from London!

Hi Grandpa,

Today I played outside with my friends, Emma, Molly, Samira and Simon. Can you believe it: we have snow here in our park! Snow in England! Weird, isn't it? Simon and his sister Emma have a sledge but their sledge was at home today. Luckily there's lots to do here in the winter. For example, you can build a snow fort or a snowman. Here's a picture of my big white snow fort next to Molly's snowman. I think her snowman is awesome.

I really like the snow and different seasons here. What's your favorite season? Spring, when it's hot in Florida, or summer, when it's really hot in Florida? Haha. :D

Hugs
Tom
