Tell what you liked the most during the project in Finland?

23 vastausta

Sauna and snoboard

Do new sports

The snow activities and experiences of the Finnish lifestyle

The time spend with the family

Snowing Sports

I liked everything

See the snow

Snow sports

do snowboard

sauna

meet new people and new places

meet new places

Meet new people and new places

Snow sports and bowling

Meet new people and new places...

snowboard

I like all things

simo <3333

snowboard and skii

Being with my host family

Know new places; feel arctic wind;
Excellent host all the time.

Sauna

What I liked the most about the project in Finland was the sympathy of the colleagues who were very welcoming and provided us with all the conditions to enjoy our days in Finland, so we could get to know the country while having contact with a different culture.

Tell what you did not like during the project in Finland?

23 vastausta

Nothing (3)

walking 1km with the worst time (2)

I liked everything

Activities during the snowing time

Some foods

I didn't like when we walked alot

The food in helsinki

I don't like the visit to Vaasa

o like everithing

nothing

the cold time

Walking 1km with the worst time

Visiting the tower while was snowing

walking in the snow

jaime wasn't here all the time ;(

the trips they are too much time

Take my shoes of

Fall down.

Cold

What I liked the least about the project in Finland were the slippery roads and the falls that came with it.
