

# Rannankylän koulu Finland

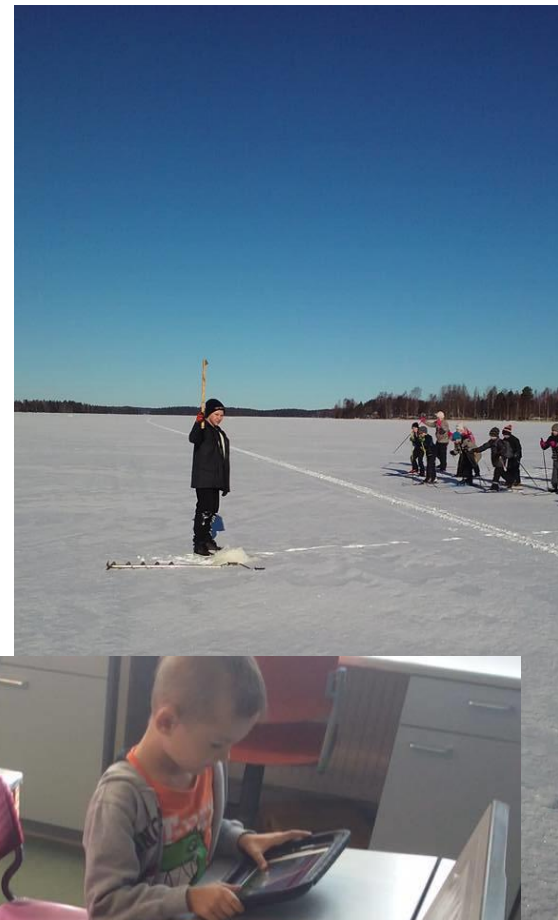

# Our strengths

- High educated teachers
- Teachers have different art skills to use at school
- Lots of special teachers
- Everything is free for students

# Craft, art, music and gym

# Weaknesses

- Our journeys are very long
- We have only 5-10% immigrants, and they are from Russia and Estonia
- We have students from broken families
- Weather is cold, snowy and wet

Very far from...

# Opportunities

- Nature
- Peace and silence
- Curriculum

# Our curriculum isn't standard or law

# Nature, forests and lakes

# Threats

- We live in middle of nowhere
- Students are more and more challenging
- Money, money

No rush
