

# LEARNING DIARY GIFT-ORCHESTRA

You should answer the questions freely with a few sentences. Please answer "Overall goals" already at the beginning of the project.

## **Overall goals at the beginning of the project**

1. Why do I want to participate in the project?
2. What am I the most excited about?
3. Do I have any worries or concerns?
4. What do I want to learn and achieve during this project?

## **Development during the project and summary at the end of the project**

1. What are the most important things I learned during the project?
2. How did the instrumental lessons affect my own playing and my playing in the orchestra?
3. Was something I learned completely new to me?
4. Did I experience change or development in my instrumental, language or social skills between the first phase in Germany and the second phase in Finland?

5. How will I benefit from what I have learned in the future?

6. Do I have new goals that I want to achieve after or because of this project?

7. What was the most important thing during the project that supported my development?

8. Overall feelings after the project? How did the project enrichen my playing or life?

This project helped me to develop the following aspects of my musicianship:

	Strongly agree	Rather agree	Neither agree nor disagree	Rather disagree	Strongly disagree
Instrumental skills					
Playing in orchestra					
Listening and reacting to other musicians					
Following the conductor					
Interpreting and understanding the music					
Stage fright					

This project helped me to develop me in following aspects:

	Strongly agree	Rather agree	Neither agree nor disagree	Rather disagree	Strongly disagree
Speaking in a foreign language					
Understanding a foreign language					
Getting to know different cultures					
Social skills
