1. A day in your life

How does a young person in Finland spend an ordinary Saturday in March? Describe how you spend a regular Saturday (morning, afternoon and evening) in as much detail as possible.

2. Games are good for you

Describe your favourite computer game. What are the rules? What is the overall aim of the game? Why do you like this particular game?

3. Sport should be compulsory

Participating in sport has many proven benefits: psychological, social and physical. For this reason, it should be compulsory for all students to participate in at least one sport until they matriculate. Discuss whether you agree or disagree with this statement.
