

Permission to use of photos

The permission to shoot applies to:

publications (where?)

The permit is valid until the guardian separately cancels it.

Child to be photographed: _____

Date: _____

I consent to the publication of an identifiable image (without a name) of a child (under 18 years of age) in the contexts and environments described above. In the picture, the child is always presented in a positive light and in situations significant for the everyday life of the event.

Child's name

Signature of the child's guardian
