

# Permission to use of photos

This survey concerns the use of a **child's photo, video or pictorial output** (drawing, painting, video, etc.) on the municipality's website (municipal website, Facebook, Instagram, TikTok) and in the municipality's publications (e.g. histories, magazines, exhibitions, children's growth folders).

**The permit/prohibition is valid until the guardian separately cancels it. It is possible to use some of the footage later, for example, histories or the use of old images in publications.**

The questions below apply to the aforementioned publishing environments and uses.  
The guardian answers the questions by selecting **YES** or **NO** for each question

Child's name: \_\_\_\_\_

**Child's works such as paintings and videos** can be used in the contexts and publication environments outlined above.

Yes    No                      **Child's name** may appear in publications: Yes    No

**Publication of an identifiable image of the child** (without a name) in the contexts and environments outlined above. In the picture, the child is always presented in a positive light and in situations that are significant for the everyday life of early childhood education, for example kindergarten event or activity moment.

Yes    No

**Publication of an identifiable image of the child** (without a name) in the publications of the partner (e.g. local organizations, associations) e.g. history, annual calendar (e.g. a children's group with Santa Claus).

Yes    No

**Additional explanation** (e.g. a description of a specific event for which permission to film is requested)
