

COVID-19 | AUTUMN 2022 | VALID UNTIL FURTHER NOTICE

Safety instructions for students

- Do not attend a class ill or if you get symptoms suggestive of coronavirus. When exposed, you may spread the coronavirus asymptotically.
- Always wash your hands before coming to class and if required during lessons and work, for example when you come in contact with common surfaces. Protect your mouth when sneezing or coughing with a disposable handkerchief. Always wash your hands after sneezing and coughing.
- Use a face mask at your own discretion.
