

SCIFEST

ONE EARTH'S ENOUGH! – JOENSUU MAY 12-14, 2016

Get Up With Natural Science – Course Passport

Assignment

1. Search through SciFest event. – Take it slow! Enjoy the festival and study science education in practice...
2. Go and find interesting work shops. Select three for a closer look. Take part to these three workshops.
3. Write down your thoughts about these three workshops. Use the questions behind this card.

Prepare to share your notes among our group!

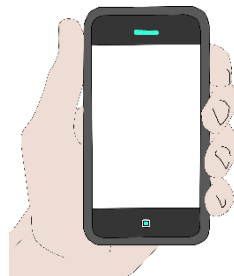

Photo or
selfie would
be nice!
